Note 1: Figures are Relative Units of biomeridian energy.

Note 2: The optimum on the EAV instrument used is 40 RU.

Observations:

Wearing a Biolife Pendant remarkably enhanced every base profile meridian energy level by between 43% - 60%

Meridian energy at or near optimum levels (40 RU on this instrument) mean better operation and effectiveness of all energy functions in one's body systems. This also enhances ability to minimise the effect of stress, and external stressors such remote EMF fields and transmitted signals, which have a destructive influence on the human biofield.

To avoid energy, strength and immune system depletion from EMF radiation get your Biopro EMF Harmoniser chips and your personal Biolife Pendant bioenergy enhancer. For more see websites TimLeitch.net.nz & www.myBiopro.com/TimLeitch
